HIS RETURN RELEASES THE SUPERNATURAL

Breaking of Bread: Luke 9:1-17; Matthew 12:1-15

Signs and wonders are God's acts of grace among His people, they are supernatural events, they are things man cannot do by himself, in his own strength, for himself. Signs are wonders are God's answers to the need and heart desires of his people. They are God's answers to prophecies, words of knowledge and words of wisdom. Without signs and wonders, how will those outside believe God is in our midst, doing terrible things in righteousness. If babies must come we must pray, new marriages need prayers, restoration of dying relationships, healing, and security of our children, our

lives and properties etc are areas we must pray on till all expectations are met.

God gave us words of assurance that long term delay are ended, He gave us assurance of new additions in babies and new homes and marriages, He gave us assurance of no loss, no limitation and no death in all our dwelling places, He gave us assurance of restoration of love and new wine in homes that are running out of supplies and those that are barely managing on old tasteless wine and many more. God will be true to His Word, He will do what no man can do if we ask Him and trust Him for the rest of the year and coming year. God is happy when we trust Him enough to do things we ordinarily can't do for ourselves.
