and let none deal treacherously against the wife of his youth.

Prayer:

You are a godly seed, in you is the ability to bring forth other godly seeds, your seed and your life and your destiny will not be wasted. You will live to fulfil the mind of God for you in Jesus Name. Amen!

Some women are parenting to satisfy their husbands and to be in their good records, some men too are parenting to satisfy and silence their wives criticism. There are people who are parenting in order to satisfy their neighbours, some to impress their parents, friends and relatives. These are good on their own but should parenting be turn to a kind of show biz? "My children pass my neighbour's" kind of conscious/unconscious competition should not be the norms in raising godly seeds for God (Malachi 2:5). Many parents out there don't even have any personal reason for parenting, all they knew was that pregnancy came, which led to their having baby and they have to just keep doing something to keep the baby growing?
