## **CHILDREN AND YOUTH MINISTRY**

This is our ministry as a Community of Praying Parents. Aside the fact that our children and grandchildren (now and in the future) are also members of this ministry, so also are our future sons/daughters-in-law, future church and political leaders, future medical workers who will attend to our children and to us when we are old, tomorrow's teachers and lecturers, future captains of industries and business leaders, men and women who will hold diverse offices in the future. All the present holders of these offices were children once, whatever is wrong about them today are traceable to the roles the church and Christian parents played few years ago. Whatever we do today shall be spoken of in the future as well.
