3pG Prayer and Fasting – REASON FOR THE CALL

Monday 7th October 2019 - Day 1

MY FAMILY MY MINISTRY

Breaking of Bread: Number 3:14-22

My family is my primary place of assignment. This is true for every one of us. God will not send you an errand that will send your spouse and children out of His will for them and will not send you an errand that will wreck your family. Your family is your first church, your spouse and your children should be the first beneficiaries of the grace of God upon your life and they are also your first co-workers in the vineyard of grace. You are a father or a mother specifically prepared for your children, nobody else is best suited for that job than you. Parenting your children to the exact image God had in mind for them is your first and most important assignment. We are called to serve and the service must begin from our homes. Your primary assignment is to serve God through your family, any other thing you do is secondary, though they may be very important as well. Our primary assignments, which is the family and any other secondary call of duties should complement each other. We must not allow the demands and pressures that comes from our other services to God and the society outside the family setting tear down our families but instead, we and our households together can serve God through the

instrumentality of those other assignments without failing in our love for each other.

REASON FOR THE CALL: WE ARE CALLED TO SERVE

Thank God for the call He has called you, especially the call to be a parent and to serve with any other special abilities He has given to you.

Theme Song:

When He calls me, I will answer...
3x

I'll be somewhere working for my Lord...

I'll be somewhere working for my Lord...

I'll be somewhere working... 2x

I'll be somewhere working... 2x

I'll be somewhere working for my Lord...

MY FAMILY MY MINISTRY

There is an assignment for your family. There is a reason God instituted your home, He brought you together as man and wife to start a family for a reason. He/she could have been some other person, but you ended up being with your spouse, even where it seem like an 'accident', occasioned by events that culminated in your marriage. It is because God wants something out of that union. The reason for the many troubles and marital challenges is because the enemy's is aware of God's plan for you. If your family is not important to God, the devil won't waste his time and resources fighting your marriage. If we must fight the enemy and win, then your family must be your continual prayer project and your primary place of assignment in ministry.
