**LED BY THE FATHER'S HAND**

**Breaking of Bread: John 1:10-13**

In the February Big Events we will be focusing on Revelation, spiritual secrets and privilege information from Father's to sons and daughters. It is the mind of the Father, Who is willing to reveal Himself more than ever before to His sons and daughters as the loving, reliable and ever present Abba, Father they can always trust and depend upon. A father will reserved privileged information to his favorite son or daughter. Other children may know Him as their father but when it comes to privilege information and protected family secrets, they are mostly reserved for daddy's favorite son or daughter.

God often use visible and tangible things to explain the invisible and the intangible things around us. God may be the Father of all the living but His secrets are with those who fear and love Him. To them He will reveal Himself as Abba, Father in terms of spiritual revelations, divine secrets and privilege spiritual information's. This category is for those who have been forgiven of sins and are washed in the Blood of the Lamb. You can be part of this family of God's people whose God is Abba, Father by simply confessing and repenting of sins and be born again.

Therefore, having and knowing divine direction and spiritual guidance in all things and in all areas of life in the Year 2020, the year of Abba, Father is a necessary prerequisite to accessing and knowing divine secrets. God our Abba, Father and our Shepherd is always ahead of His children. God will never take His children through a path Himself has not walked before, He will never lead them through a battle He has not secured the victory ahead of time. Therefore, for an effective, prosperous and wonderful Year of Abba, Father divine guidance is a must.

### **AS MANY AS ARE LED BY THE FATHER**

The Father leads His sons and daughters by His Spirit. To be Spirit led is to be Spirit controlled and to be Spirit controlled is to be possessed by the Spirit. To be possessed of the Holy Spirit is often much easier than understood by many believers. It doesn't take rocket science to be possessed and controlled by the Holy Spirit. To understand this point one scripture stands out: **Romans 6:16** "**Know ye not, that to whom ye yield yourselves...**"

To help our understanding, let's make a brief description of devil's possession. To be possessed of the devil, which is the exact opposite of being possessed by the Holy Ghost, is to yield or expose oneself to demonic activities. The more horror movies you watch, the more addicted to porn movies a person is, the more exposure to occult practices and worship of devils one is involved in, directly or by proxy, the more casual sins and iniquities become in a particular life, the more the possibility of demon possessions. The deeper someone is in his involvement with devils, the greater they control and take possession of him. To be demon possessed is natural to man, once the body is yielded to the wicked nothing is left. A heart under the control of demons, is cloudy, confused, chaotic and troubled.

Now try see the opposite of these things described above which must characterize a life under the influence of the Holy Spirit. To be Spirit led, is to be Spirit controlled. God can only control what He has taken full possession

of. The level of your *yieldedness* to God is the level of His Holy Spirit taken over you. How much of you He has is the much of you He can control, **"Know ye not, that to whom ye yield yourselves...the servant of the same ye are" (Romans 6:16)**. To be Spirit controlled is supernatural, the spirit of man must be yielded to God first, and then his body will submit in obedience.

The more you are expose to God through prayers, sound spiritual fellowship with brethren, Bible readings, inspired spiritual activities, and spiritual songs, the more of you through your spirit that is open for God to take over and the more of you that He takes over, the more of you He is able to lead and control. The level of God's influence on you will be visible in your natural ideas (intuition) and thoughts, the alertness of your conscience and how much you have been able to discern the difference between good and evil through the use of your spiritual senses (Heb. 5:14). And as many that are thus led, they are the sons and daughters of God.
