“And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:” (1John 5:14)

Ours is to pray, in faith and trust, God is to answer. We have assurance He hears us every time we pray, but when and how He sends the answers we seek are His to determine. No amount of agitations and worries can pull the hands of God. Faith and trust in His words and His ability to deliver is all that count in our days of waiting. However, if our obedience is complete, we can on the basis of our adoptions as sons and daughters of Abba, Father demand timely response from the Father of mercies. God work in mysterious ways, a times through us, if by inspirations He leads us on what to do to perfect our own victories. In some other times, Himself gets directly involved and with precision touch the affected areas and the victory is sealed. There will be time as well, when God will use others (animate and inanimate things) to help us in life and destiny and by them victory are gotten as well. Whichever way God chose, ours is to believe and watch Him makes us and our seeds the wonder we ought to be in life and ministry. All lessons and prayers are from the text used in today’s Breaking of Bread.
